

CF&B Communication, MIDCAP EVENTS, & AERI, announce a partnership to increase investor access for Spanish listed companies.

Amsterdam, Copenhagen, Frankfurt, Geneva, London, Madrid and Paris – 13th January, 2020 – CF&B Communication, creators and organisers of the Midcap Events, leader in Corporate Access in Europe, is extremely proud to announce the partnership with AERI, The Spanish Association for Investor Relations.

The Midcap Events are designed to assist all medium & small size companies in developing their business on a greater scale through capital markets.

Already 700 listed companies participate to the European Corporate Access program, to meet institutional investors in dedicated places in Europe.

The partners of our events are selected for the quality of their services towards listed companies and their commitment to deliver attractive companies towards investors.

AERI has great expertise and strong track record in assisting Spanish listed companies with their investor relations, and wanted to provide them with high quality program for 2020, with the Midcap Events.

- Increase liquidity, diversify shareholders ... there is several reasons to look into new investors. Midcap Events offers to listed companies the less time-consuming way to do it efficiently.

The events consist of pre-arranged one-to-one meetings between issuers and investors as well as group meetings if necessary.

You will meet only investors interested in your company/stock.

We are not a broker but an independent company and we work with ALL the European small & midcaps stock pickers.

As AERI members you will benefit of a special price.

Non-AERI members please consult.
