Methodology of the Rankings

- In total, 763 portfolio managers and buy-side analysts, and 1,107 sell-side analysts voted across 30 sectors in the 2015 All-Europe Executive Team rankings.
- Voters are asked to nominate up to four companies for Best CEO, CFO, IR Professional and IR Program in Europe. Best Investor Relations rankings are an aggregate of ranks across eight performance attributes.
- Top three winners are published on **www.institutionalinvestor.com**.

An Underlying Analysis of the Rankings

The IR Perception Study

The Executive Team rankings provide an authoritative view of the best in corporate performance. Companies that are ranked in the survey can acquire an analysis of the results in an IR Perception Study. **Contact us to receive a sample.**

The IR Perception Study includes:

- Full country analysis for comprehensive insights on executive and IR performance
- Full sector analysis for comprehensive insights on executive and IR performance
- Rankings by the voter's location, asset size, institution type and more
- Three years of rankings for trending analysis
- Direct, qualifying commentary from voters
- A detailed showcase of your achievements
